"BE IN LOVE
WITH YOUR
LIFE. EVERY

W E L C O M E

Hi there! I'm Katie, a wife, mother of two, and lifestyle portrait photographer based in San Antonio, Texas. Thank you for considering me as your photographer!

Here are a few things I'd love for you to know.

My first priority is for my clients to feel comfortable and confident in front of the camera. I make that happen as fast as possible by quickly addressing any questions or concerns and easing all parties into a relaxing, fun session.

I'm a friendly people-person and have spent the last decade working with folks of all ages and backgrounds. Are you shy? I'll kindly bring you out of your shell. Is your toddler fast? I am faster. ;) I get the shot and always deliver frame-worthy, flattering photographs.

I love human friends and dog friends, laughing, volunteering, live music, cooking, swimming, Netflix binges and expertly-crafted cocktails. No matter what I'm doing, I'm captivated (and sometimes downright distracted) by the beauty all around me.

I look forward to meeting you.

xoxo

"Katie has photographed our family twice in the last year, and we've been absolutely delighted with her work. She is very patient with young children and is great at making everyone feel relaxed and comfortable during the session."

Q & A

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos shared publicly. With your explicit permission, I'd love to show off you and your images. If not, that's okay, too.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits, including softening wrinkles, eliminating acne, removing sweat and clothing stains, will be made to all of your chosen images. I believe if something is temporary, I will remove it. However, my goal is to capture real moments between real people, so I make edits as sparingly as possible.

If there are specific edits you want outside of those mentioned above, please ask. I will let you know if they are possible to make and inform you of associated extra fees according to the number and complexity of edits.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: Do you photograph outside of San Antonio?

A: Yes! I've shot across dozens of cities and states and am more than happy to travel.

Q: How do we reserve our time and date?

A: A 50% deposit is required in order to reserve your spot on my calendar. The remainder of your balance is due upon receipt of your final gallery.

"Katie is a master at her craft! She put me at ease immediately and did a great job of capturing my personality in the photos. When I received them I was blown away. They were flawless and I looked like the very best version of myself!"
